Question Averages

Hao Liu Teaching Expt Organic Chemistry I CHEM 3105 Undergraduate LAB section: 304 2020 Spring

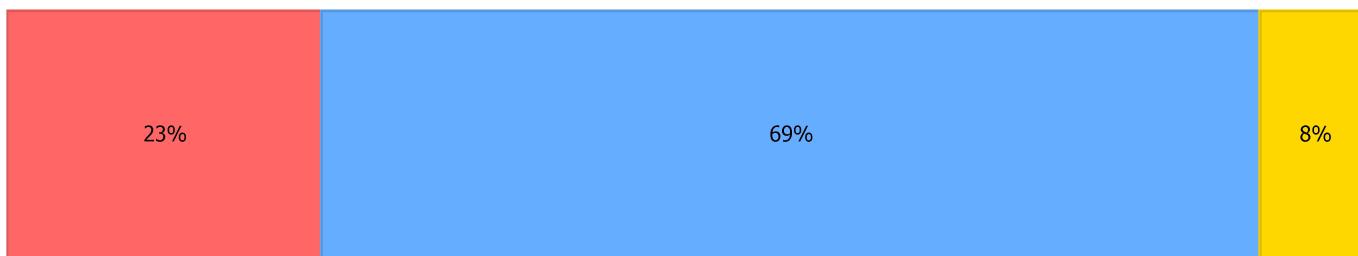

Liu:1 Instructor followed course objectives

Liu:2 Overall Instructor effectiveness

Liu:3 Course a valuable learning experience

■ Str Agree ■ Agree ■ Neutral ■ Disagree ■ Str Disagree

Text Responses

Comments instructor or course

The TA was super helpful in the lab and really made learning easier.

Liu did a great job of directing the class in pre-lab lectures, and demonstrated excellent leadership in guiding the students through their experiments. He was really passionate about us learning and was a great instructor!

He did well helping walk us through the labs and answered questions whenever we had them! Overall, great TA and course.
